

THE CHAMPIONSHIP PLAYBOOK | PRINCIPLE #1

CHAMPIONSHIP FAITH TAKES ACTION

The fundamental fact of existence is that this trust in God, this faith, is the firm foundation under everything that makes life worth living. It's our handle on what we can't see.

Hebrews 11:1, *The Message*

You're reading this because you want to make the most of life. You want to live like a champion. Well, I've got good news for you: *In Christ, you're already a champion.* But **now it's time to activate your Championship Faith.**

As Hebrews 11:1 says, faith is the firm foundation your entire life should be built upon. Many people consider faith a private matter, that it's nothing more than a simple belief in something beyond yourself. But the Bible says it's *more than that*. According to the Bible, Championship Faith is *alive. Activated. Producing results.*

Championship Faith wins! (1 John 5:4)

In fact, it has the power to move mountains:

So Jesus answered and said to them, "Have faith in God. For assuredly, I say to you, whoever says to this mountain, 'Be removed and be cast into the sea,' and does not doubt in his heart, but believes that those things he says will be done, he will have whatever he says. Therefore I say to you, whatever things you ask when you pray, believe that you receive them, and you will have them" (Mark 11:22-25, NKJV).

Hallelujah! Championship Faith *speaks* The WORD of God.

Championship Faith *believes* The WORD of God.

Championship Faith takes action according to The WORD of God.

When? *Right now.* It's a tractor beam that takes hold of His promises.

This is your Championship Year. Get ready to live like it!

*Father, I thank You that You have given me Championship Faith! It's the kind of faith that's alive, activated and producing results. I declare that I walk by faith and not by sight, holding fast to Your promises. I trust You completely, knowing that this is the victory that overcomes the world—
Championship Faith!*

What, in your own words, is Championship Faith?

Championship Faith is alive, activated and producing results. How does that differ from the way people often think about how faith works?

A champion doesn't just compete; he or she *overcomes*. What obstacles are you facing that you can activate your faith for?
